<Miniforce: New Heroes Rise> is an animated film which is based on the Miniforce animated TV series, and serves as a movie-length Prequel to the show.

The movie follows the Miniforce's members Volt, Sammy, Max, and Lucy, as they face the threat of the Lizard Army, who have made off with Ellinium stolen from a lab they destroyed, and are after the Controlling Cube as a part of their conquest for ultimate power. It's all up to the Miniforce to foil the Lizard Army's evil schemes and save the day. But as time will prove, not everything is as it seems.
