The Korean Cultural Center Los Angeles (KCCLA) & Korean-American Calligraphy Association proudly present 'The 31st Annual Exhibition of Korean-American Calligraphy Association,' which will take place from October 7th to October 21st at the Korean Cultural Center Art Gallery, located at 5505 Wilshire Blvd. Los Angeles, CA 90036.

Since its inception in 1990, many veteran artists have endeavored to further develop the Korean calligraphy association. In celebration of the 31st anniversary of the Korean-American Calligraphy Association, 47 talented calligraphers submitted 48 artworks comprised of various calligraphy characters & traditional Korean paintings.

Director Sangwon Jung of the Korean Cultural Center Los Angeles (KCCLA) said, "Korean calligraphy is now recognized as a great work of art, going beyond simple writing skills and techniques, and has been recognized as a wonderful part of K-culture. Through this year's calligraphy exhibition at the KCCLA, I hope that it will be a meaningful place to appreciate the various and high-quality works of art reflecting each artist's soul in one place."

For this special occasion, "Calligraphy Performance & Korean name writing" will be held by Korean American calligraphers, where attendees will have the chance to learn more about Korean calligraphy as well as enjoy having their names written out in the Korean alphabet. This event will take place on Friday, October 7th, 2022 from 6:30 PM to 7:30 PM during the opening reception.
