**Korean Cultural Center Los Angeles (KCCLA/Director Wijin Park) & Photographers Society of Southern California (President Alex S. Kim) proudly present < The 15th Photographers Society of Southern California Exhibition: Riches of the land "Another World" >**, which will take place from December 3rd to December 10th, 2021 at the Korean Cultural Center Art Gallery, located at 5505 Wilshire Blvd. Los Angeles, CA 90036.

Every year, the Photographers Society of Southern California has presented works of a single theme, and this year's theme is "Another World". This exhibition will display over 37 photographs by profound photographers, Korean Artists, as well as local other community artists, and each piece will truly resonate a sense of warmth and passion within the viewers' hearts.

Director Wijin Park of the Korean Cultural Center, Los Angeles (KCCLA) says, "The exhibitions at the Korean Cultural Center were canceled for a year due to the COVID-19 pandemic, and I understand how difficult it must have been for Korean artists to pursue their art during this time. Nevertheless, thanks to the relentless artistic pursuits of the 12 artists who found beauty among the once-neglected silver linings of the pandemic, we are able to enjoy 37 photographs in the topic of *macro pictures*."

The exhibition is open to the public and the opening reception will be held at the KCCLA 2<sup>nd</sup> floor art gallery on Friday, December 3rd, 2021 at 7:00p.m. Following the opening ceremony, the Photographers Society of Southern California will give away 2022 calendar that is made by work of members of Photographers Society of Southern California. You will have the opportunity to view wonderful works and also have the chance to get the new year's calendar at the opening reception.

To provide a safe environment for visitors and staff, KCCLA has implemented new health and safety protocols and procedures under the guidelines provided by the L.A. County Department of Public Health. For the safety of all, KCCLA has adhered to social distancing by limiting the number of people entering each viewing hour through an online reservation system and pre-safety procedures such as taking temperature and kindly asking guests to put on face masks during their visit.

The exhibition is open to the public and the show will run until December 10<sup>th</sup>, 2021.
