The Korean Cultural Center Los Angeles (KCCLA) & the Korean Artists Association of Southern California (KAASC) proudly present the 53rd Annual Exhibition of Korean Artists Association of Southern California, which will be held in the KCCLA Art Gallery on Friday, September 16th, from 7 to 9 p.m. The Art Gallery is located on the second floor of the KCCLA (located at 5505 Wilshire Blvd., Los Angeles, CA 90036).

Since its inception in 1964, the Korean Artists Association of Southern California has been involved with various types of exhibitions to promote cultural exchange and harmony between Korean people and other ethnic groups. The association has also encouraged younger generations to explore their artistic endeavors through the Juried Art Student exhibition and Korean-American exhibitions. Over time, younger artists have joined the group making this association even more lively than before. This special exhibition will feature fresh new ideas and designs along with sophisticated, more refined traditional art as well.

This show is also a celebration of the 53rd anniversary of the Korean Artists Association of Southern California. In total, 70 association member artists will showcase paintings, sculptures, photography, ceramic, installation arts, and other various artworks.

Director Sangwon Jung said, “Many art exhibitions showcasing the wonderful works of Korean artists are being held all across Los Angeles and with great success. It would not be an exaggeration to say that the K-Art Hallyu has already begun in the United States, following suit with K-music, K-dramas, and K-movies. This year's exhibition is expected to be even more meaningful as visitors can enjoy various works of more than 70 artists in one place”

The exhibition will be open to the public and show will run until September 30th, 2022.
